TERMS OF SALE

This is a Mail Bid Sale as well as a Public Auction. Mail Bids will be accepted for both the Public Auction Sessions as well as the Mail Bid Section. We act as the Agent for all Mail Bidders and will secure the lot for the Mail Bidder at the next regular advance over the second high bid, whether by Mail or by Person. There is no charge for this service, and in many cases a Mail Bidder will receive a lot at a much lower figure than the maximum authorized. Mail Bids will be accepted until the actual starting time for each Public Session, and until 5:00 P.M. January 22nd for the Mail Bid only part.

All lots offered will be sold to the highest bidder without reserve.

All items offered are guaranteed to be genuine and as listed.

Lots to be mailed to addresses not in the United States of America or its Territories, will be made only at the risk of the purchaser. We cannot obtain insurance on material sent by U.S. Registered Mail to other countries; therefore, bidders must provide their own insurance or assume the risk of non-delivery. We can obtain insurance for small amounts when shipping by U.S. Air Parcel Post or for larger amounts when shipping by Air Freight through a private carrier. Both Parcel Post and Air Freight require that we furnish a detailed listing of the contents of the package as well as the price of each item. Since this information is placed on the outside of the package, we feel it only adds to the risk of non-delivery. Foreign bidders must supply full detailed shipping instructions and agree to all terms as listed hereon, before shipment will be made.

Error on the part of the Cataloguer will be cheerfully corrected. Please check your bid sheet carefully, as we cannot accept responsibility for the errors of others.

Postage and insurance will be added to all lots sent by mail. Unless otherwise indicated by the bidder, we will use our own discretion as to whether material will be sent by Air or Surface Mail.

State Sales Tax will be added where applicable.

Terms are Cash. Checks payable in U.S. Funds only, will be accepted from persons known to us, or from those who furnish satisfactory references and proper identification. We must have ample time to check references if they are to be acceptable to us. Payments made by Bank Transfer from foreign accounts must be made in U.S. Dollars to the Account of Jess Peters, Inc., in care of the First National Bank of Decatur, through any U.S. correspondent bank.

Title to all coins remains with the cataloguer until paid for in full.

Material offered in this sale may be examined by appointment only, at our bank, during banking hours through December 30th, and at the Auction Site prior to each session.

Prices Realized lists will be sent to all persons on our subscription plan. Others may order them at \$1, and we appreciate payment being made with the request. Lists are usually mailed within ten days after the sale closes.

We normally issue at least 8 Mail Bid and/or Public Auction Sales each year. Sample catalogs will be sent persons requesting them. Free by surface mail or to U.S. addresses. Air service to other countries is available. Please inquire about charges.

CONSIGNMENTS ARE SOLICITED FOR FUTURE SALES.

FLORIDA UNITED NUMISMATISTS

From that first meeting when 15 persons accepted Life Memberships, the organization has grown to include 147 Life Members, with a total membership of nearly 1000. Many of the original '15' will be attending and working, at this years convention.

That First Convention in 1955 featured a 13 Dealer Bourse and an Auction conducted by Foxy Steinberg, and from this simple beginning has grown this years Convention, the 19th consecutive 'FUN in the SUN' 'Action Packed' 'Glamour Filled' 'Outrageously Successful'

1226-	1895-P	Business Strike	VF	mod nks, scs, polished	This is the only specimen known to us of a regular issue dollar	
					for this year and mint	We list below excerpts from a letter from F. H. MacDonald, Acting Director of the mint:
					"The Director's Report covering the coinage for 1895 indicates a production of 12,880 dollars for that year, and	
					shows a proof coin production of 880 pieces.	
					Your coin has been examined very carefully by the technical staff. It has been checked physically. The specific	
					gravity of the coin is well within the limits of the 90% silver dollars.	

U. S. DOLLARS

Microscopically and spectrographically, there is no indication that a mint mark has been removed. It does not have the finish of a proof dollar, and we believe this coin was polished subsequent to its issue by the Mint.

The coin is not counterfeit, nor has the mint mark been removed. We can authenticate this coin to that extent."

Also has ANA Certificate No. 0179, Also a note from J. J. Johnson of Coin World attesting to its authenticity
